

MARY ELLEN SNYDER, D.D.S.

Snyder Smile Savers Membership Plan Agreement, Terms and Conditions:

- This is NOT dental insurance. This membership plan is only valid at Snyder Dental Associates. Other providers or specialists are not included or covered by this plan.
- The membership plan can NOT be combined with any other insurance.
- If you are an established patient enrolling in the membership plan all previous account balances must first be paid, and all account balances must be zero.
- The membership plan is not retroactive but becomes effective on the date of enrollment and when the membership fees are paid in full.
- The member is responsible for making all appointments and using the eligible services within the enrollment year.
- The member is responsible for updating their address and other contact information.
- This plan cannot be transferred to another member, or to another established patient, and unused benefits will NOT be carried over to the next year of membership.
- No "take home" products are covered by this membership plan.
- The membership plan does NOT automatically renew. If a member wishes to renew the membership plan, a new agreement will need to be reviewed and signed on the anniversary date of enrollment and a new annual membership fee will be due within 30 days, or the membership plan will be void, and the usual and customary fees will apply for all services following.
- Failed appointments, or appointments not cancelled within 48 business hours, will be charged a \$40.00 fee. Additional failed appointment fees for major treatments may be applied.
- Routine adult membership plans are for established patients who have not been diagnosed with Periodontal Disease. If Periodontal Disease has been diagnosed a routine adult membership plan can NOT be purchased.
- Periodontal adult membership plans are for established patients who have been diagnosed with Periodontal Disease. If you have been diagnosed with Periodontal Disease a routine adult membership plan can NOT be purchased.
- Routine child membership plans are for established patients up to and including 13 years old. Children 14 and older cannot purchase a child membership plan.
- Less than full payment for services rendered under the membership plan's benefits will result in the member being charged the usual and customary fees for services completed that day.
- If any dental treatment is needed involving outside medical care, disability, or workers comp type insurances, this membership plan cannot be used.
- This plan is non-refundable. After the first 30 days following enrollment, no refunds are given if the member chooses not to use their membership plan.
- Membership plan rates and exclusions are subject to change upon renewal.
- CareCredit can NOT be used to pay for membership plan fees.
- Mary Ellen Snyder, DDS, PC reserves the right to interpret any program stipulation.
